Fundamental characteristics:

Application	Outer covering
Break resistance	Satisfied
Glide and slipresistance	Satisfied
Durability	Satisfied

Director

P. de Beukelaar

Walsoorden, 02-09-2013

Product information:

Identification	21x10.5x8 Bright
Machine	SOM
Fermentation time	7 days
Class	K – D – I
Appearance	Shampfer 3/3
Colours	Standard colours
After treatment	Shot blasting
Weight	6,24 kg

Supplementary certification:

 311/104
 Category IIa

K2003

Characteristics geometric

Length	210 mm
Width	105 mm
Height	80 mm
